ABOUT AMRUTVAHINI

In the late seventies of the last century, Sangamner - a rural area was suffering from poverty, illiteracy, drought and unemployment. The basic cause of all these evils was rightly identified by veteran freedom fighter Hon'ble Shri. Bhausaheb Thorat, a leader of Co-operative Movement, a great visionary and philanthropist. He converted his thoughts into reality by creating educational and training facilities. He founded the Amrutvahini Sheti and Shikshan Vikas Sanstha in 1978 to provide education to the poor farmer at his doorstep, which boosted the socio - economic progress of the rural masses. The sanstha is running following Educational Institutions:

- Amrutvahini College of Engineering
- Amrutvahini Polytechnic
- Amrutvahini Institute of Management & Business Administration
- Amrutvahini College of Pharmacy
- Amrutvahini Institute of Diploma in Pharmacy
- Amrutvahini Industrial Training Institute
- Amrutvahini Model School & Jr. College
- Amrutvahini International School

A chain of Institutions has made an impact on Sangamner Township and has given urban outlook to the region. Hon'ble Shri. Balasaheb Thorat, MLA & EX. Minister of Revenue, Govt. of Maharashtra, is striving hard for the further development to meet the global quality standards in education and it will excel in days to come under his dynamic and pragmatic leadership.
