## NEWS LETTER 2020-21

### HOD's Message

Automobile Engineering is a versatile and evergreen branch of engineering. Automobile engineering Department has well qualified and dedicated faculty with well-developed laboratories. We impart quality Technical engineering education through sound theoretical knowledge with hands on laboratory Skill as well as computational skill and exposure to recent technologies by visiting industries & expert talk. We provide opportunities for students to participate in various technical and sports events /competitions. This newsletter is an attempt to highlight the achievements of the department. I wish good luck to the entire team of editors.
