Vision :

Transforming students compatible for IT profession.

Mission :

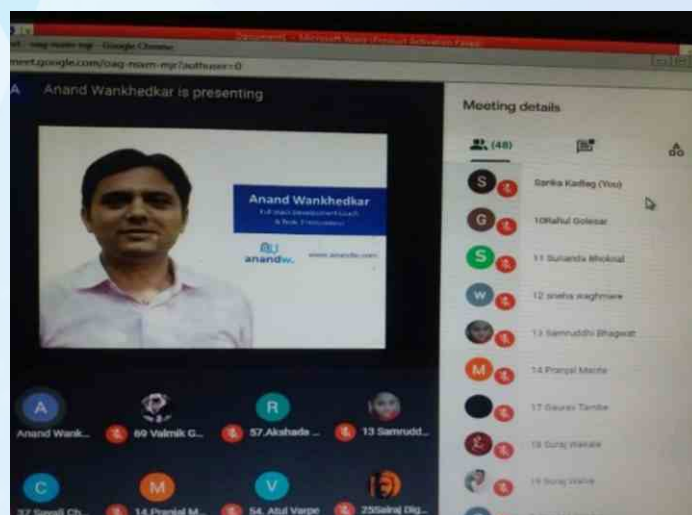

- M1. Effective implementation of teaching learning process in Classroom and Laboratories as per MSBTE curriculum.
- M2. To provide competent engineers to serve industry and society for IT services like web programming, mobile application development, Network and database design / administration.
- M3. To develop IT engineers with social ethics and IT skills for solving real world problems.

HOD'S MESSAGE

Main interaction of this newspaper to present in front of you is that all the activities of this academic year are to be summarized systematically. I appeal to all this concerned with technical education to contribute to the newsletter and through it for conferment of quality technical education. I am confident that this newsletter will contribute immensely and I convey my best wishes to the Amrutvahini polytechnic Sangamner for successfully launching this newsletter.
